The goals of an ambassador

Sharing positive experiences

Promote neighborhood businesses and the FlipNpik brand on its platforms

Promote local consumption and the role of ambassador

To be eligible you must...

01 Consume regularly in neighborhood stores.

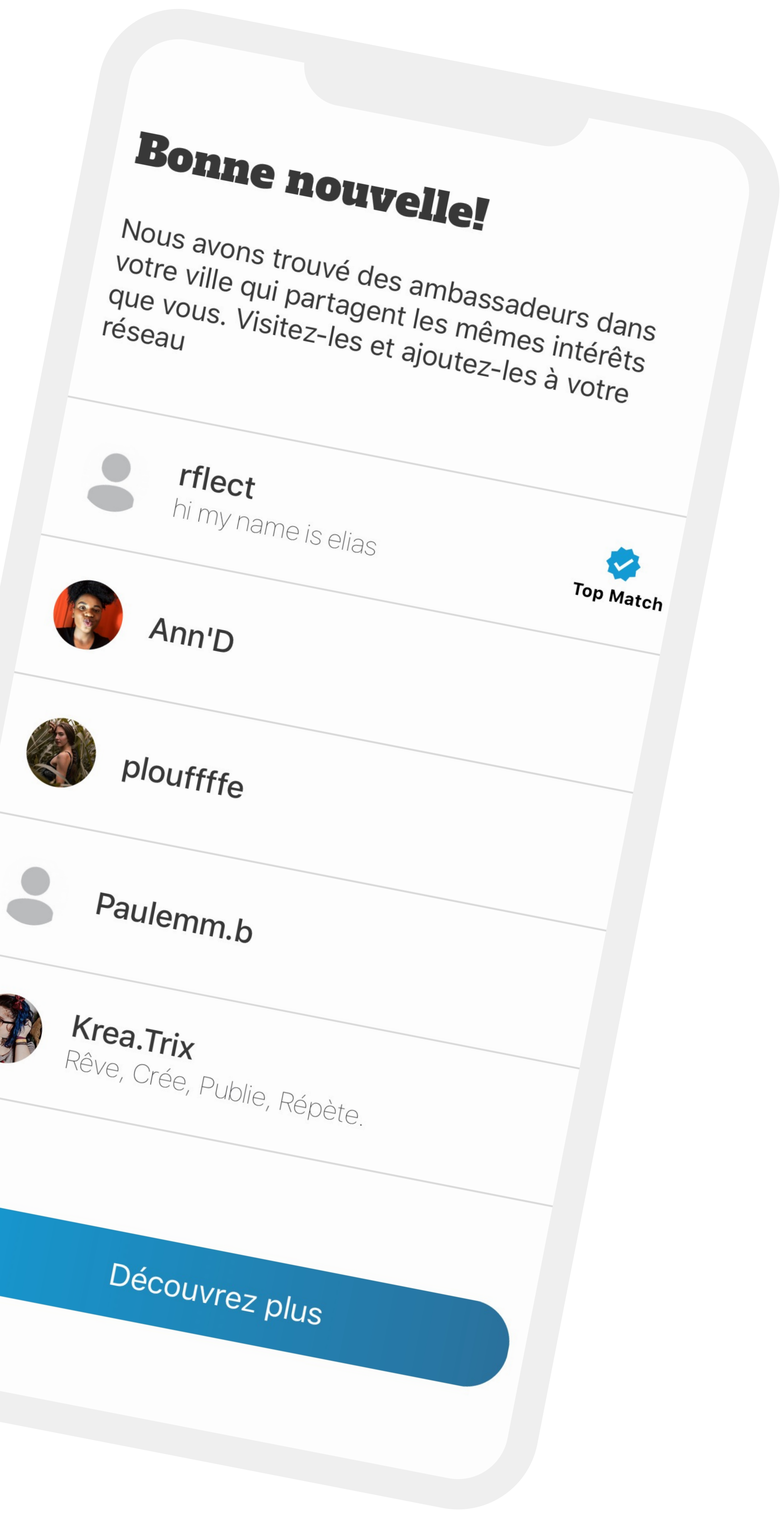
02 Post quality content regularly.

03 Reach and influence in an authentic way.

04 Have a minimum of 1000 followers.

05 Have a creative and collaborative spirit.

The Benefits
of a FlipNpik Ambassador



Monetize your content

Based on a sharing economy, FlipNpik rewards users by offering them Flip Social for each positive experience shared. Flip Social will allow them to open the local surprise box that will contain **exclusive freebies and discounts.**

Increase your community

On FlipNpik, the ambassadors are the local experts! Consumers are matched with ambassadors according to their consumption interests. In this way, the **ambassadors are discovered by consumers** who look like them.

Participates in the creation of value

FlipNpik is much more than an app and an ambassador program, it is an **innovative ecosystem** that focuses on **local consumption, collaboration, creativity and sharing of value!**

Ambassador Privileges

- Free monthly events
- Invitation to creative brainstorming
- Content creation opportunities
- Opportunity to become a spokesperson
- Exclusive discount at partners

From co-creator to partner

Contact us to commit and benefit from the following advantages for a limited period.

amb@flipnpik-na.com

Become a partner

The hired ambassadors **may exchange** their **Flip Social** subject to certain conditions in terms of liquidity or participation in the business.

Monthly bonus

At the end of each month, active ambassadors who have published at least **2 publications for at least 4 different businesses** will receive **150,000 Flip Social**.

Get involved in the creative team

FlipNpik offers ambassadors the possibility to create more values by getting involved in the marketing team. Several opportunities are offered in different domains.

FlipNpik by
[Geekco Technologies inc]

Geekco is a Quebec company working in the field of adapted digital technologies to local shops.

Goals:
Offer local businesses a digital solution affordable, efficient and easy. Allow FlipNpik ambassadors to share the value created by their contribution to the platform.

Mission:
Develop and market a mobile application to promote local shops.

Vision:
Become the first collaborative social network for local businesses operating in an ecosystem, rewarding all users for their contribution.
